

Imenco Silvertip Shark Subsea Camera

The Silvertip is a small subsea tooling camera with integrated LED lights with zero halo effect, and a wide FOV. The Silvertip is the preferred choice for camera boom applications, subsea chain caliper tools, and close-up inspections.

Main dimensions (ex conn.)	Ø 50 x 117 (102 short version) 1.9 x 4.6 (in)
Resolution	750 TVL
Sensitivity	0.0001 Lux (Sense-up)
View angle in water	64°dia / 53° hor
Lens system	Sapphire
Housing	Duplex Stainless Steel
Depth rating	6,000 MSW
Standard connectors	5507-1508 / SeaNet
Light output control	Bi-polar
Power requirements	24VDC (12 - 36) 8w
Mass in air	0,5 (kg) 1.5 (lbs)
Mass in water	0,4 (kg) 0.88 (lbs)
